"Time mellows people as it mellows wine- if the grapes are good."

— Emmett P. LeCompte

Message to the Graduates, June 1971:

It is the prayer and the desire of De La Salle High School that the CHILD within each of you LIVES ON! That each of you, in living out his life, return to the simplicity and gentleness of his childhood, that it may inspire you with the vision and the courage to accept the task before your generation: to crumble the walls separating nations and to build THE EARTH through unselfish, Christian service.

DEDICATION

As the two preceding pages imply,
the 1971 SPARTAN
is dedicated simply to "Football,"
to honor the first JV team
in De La Salle's six-year history,
as it gets set to take
the Green and White tide
into the football arena next fall.
In so dedicating its yearbook,
the SPARTAN Staff pays tribute,
not to the game itself,
but rather to the people
who made this achievement possible
during the past year:
to Brother Norman, principal,
who inspired and organized the venture;
to the faculty and students,
who gave of their faith, time and effort;
to the parents, who inaugurated
a successful Fall Festival
toward its realization;
to the loyal alumni and friends
who also gave their whole-hearted support.
To all of these,
the Staff wishes to say "Thank you"
in the name of the entire DLS Student Body.

Brothers After Hours

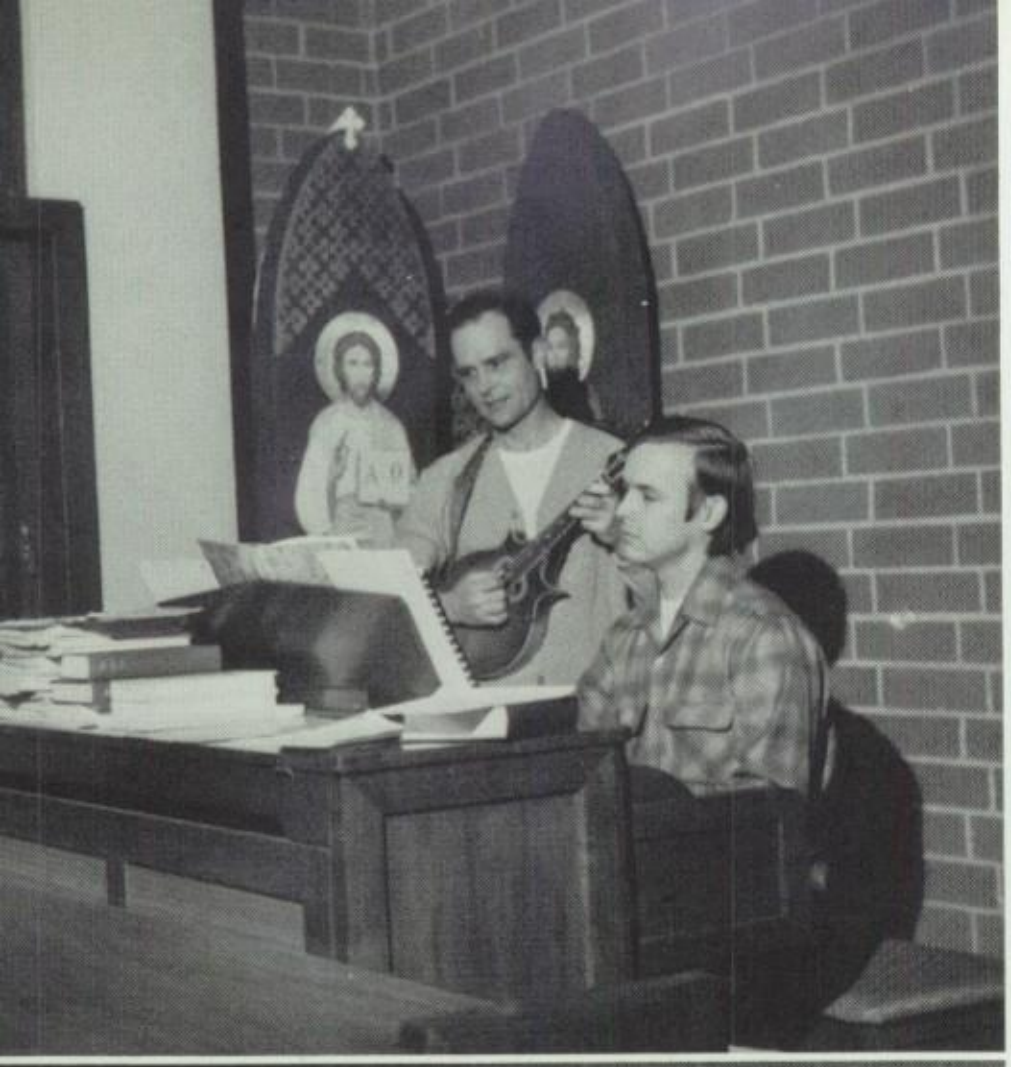
The accompanying pictures may help some students to dispel the naive notion that the Brothers on De La Salle's faculty merely "evaporate" each afternoon at 2:20, only to arise--phoenix-like--at 8:20 the next morning for another round of school work.

In actual fact, the Brothers lead a full life "after hours," one that is enriched all the more by the wide variety of activities they so readily share with one another. These activities run the range of adult interests on three levels--spiritual, intellectual and social--and make the daily routine life of the classroom not only possible but even enjoyable.

The fireplace in the community room is the focal point of the pre-dinner social gathering.

Brother Edward's camera catches Brothers Norman, James and Thomas outside the St. Mary's College cabin at Squaw Valley over a three-day weekend last winter.

Bertha, the Brothers' cook, comes into the dining room to receive thanks for her delicious Thanksgiving banquet.



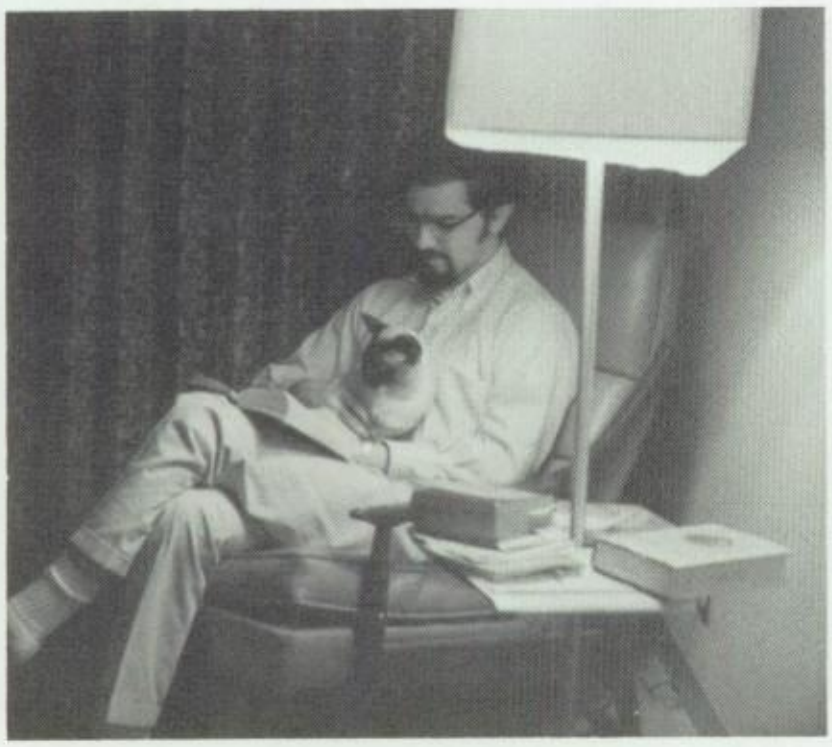
Brother Edward rehearses a Mass hymn with Brother Loren at the organ.

"Happiness is made to be shared."

-- Anonymous

Daily Mass is provided for the Brothers, here specially said by his Excellency, Bishop Floyd Begin, during his community visit.

A game of gin rummy occupies the leisure time of Brothers Alan, Loren and Vianney.



Brother Michael settles down to his book and Isadore, the Siamese house pet.

In the quiet of his "lab" room, Brother Nicholas pursues his own studies in biology.

What does one say in a message as brief as this that will somehow incorporate what the last four years have meant? I will limit my words to the spirit of the Class of 1971 of De La Salle.

Truthfully, this class has been different to the point of unusual. I have worked with other senior groups before, but this particular class stands out in a way wholly unlike the others. Having been their moderator, teacher, counselor and friend for four years, I am in a good position for this kind of reflection.

The Class of '71 is a loving group of persons. They are gentle in a way that has often left me wondering about the so-called hardness of the young today. This class, I believe, has taken seriously Jesus' words on the Mount: "Happy are those who give courage and comfort. . . Happy are the merciful. . . Happy are the utterly sincere. . . Happy are those who make peace."

While they have sometimes fallen short of the ideal in these words, they have nevertheless consistently striven for a better De La Salle and a better community. At their best, they have been unbelievable creative. At their weakest, they have remained human and attempted understanding.

For all their kindness and love, I thank them, and I take this opportunity to extend to each of them my own friendship and gratitude.

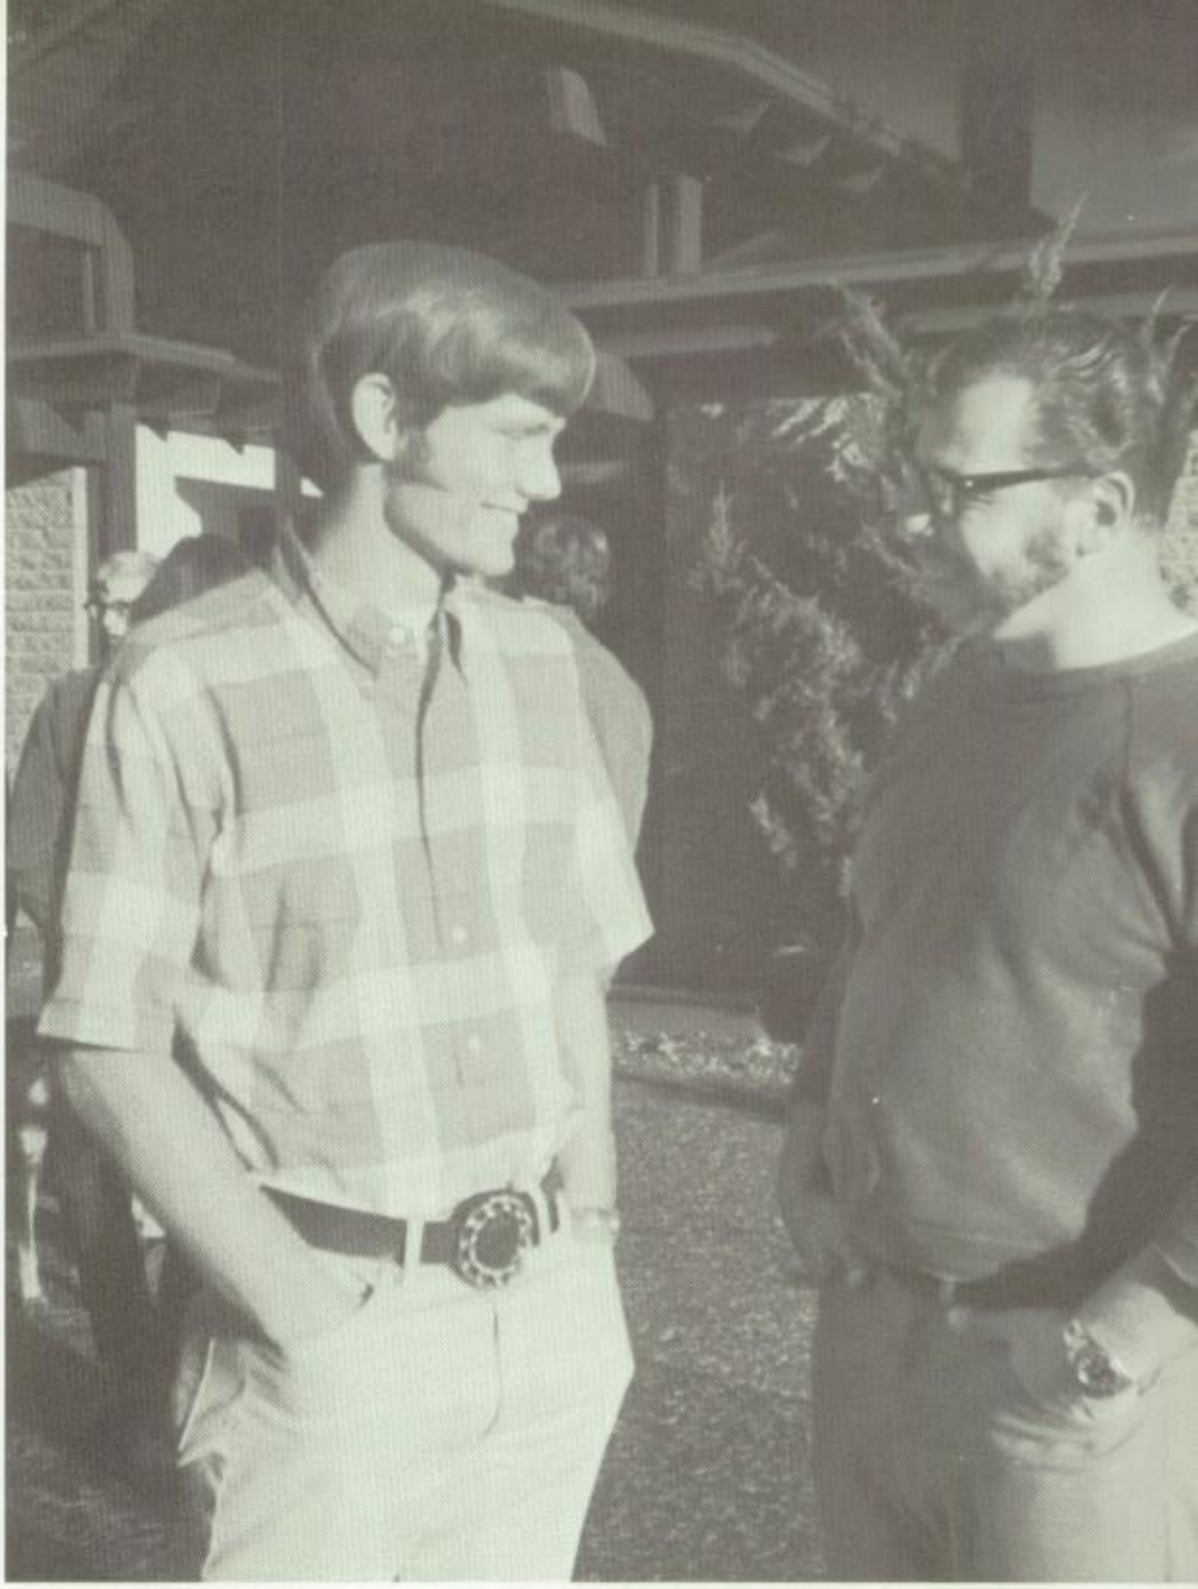
Senior Retreat

Two school days were taken off so that the Senior Class could travel to the Christian Brothers Retreat House in St. Helena for the annual Senior Retreat. From Monday afternoon through Wednesday, they participated in the special program of liturgy, group discussion, private counseling, meditation and reading. Most Seniors returned to DLS feeling that the experience enriched their insights into God through a better understanding of self and fellow man.

Besides the activities already mentioned, the students had ample free time in which to recreate or just "shoot the breeze" while listening to records in the mod-decorated "Barn."

In any case, the food was plentiful and good, the rooms comfortable and the atmosphere friendly, factors which made this year's retreat one of the most memorable events of the senior year.

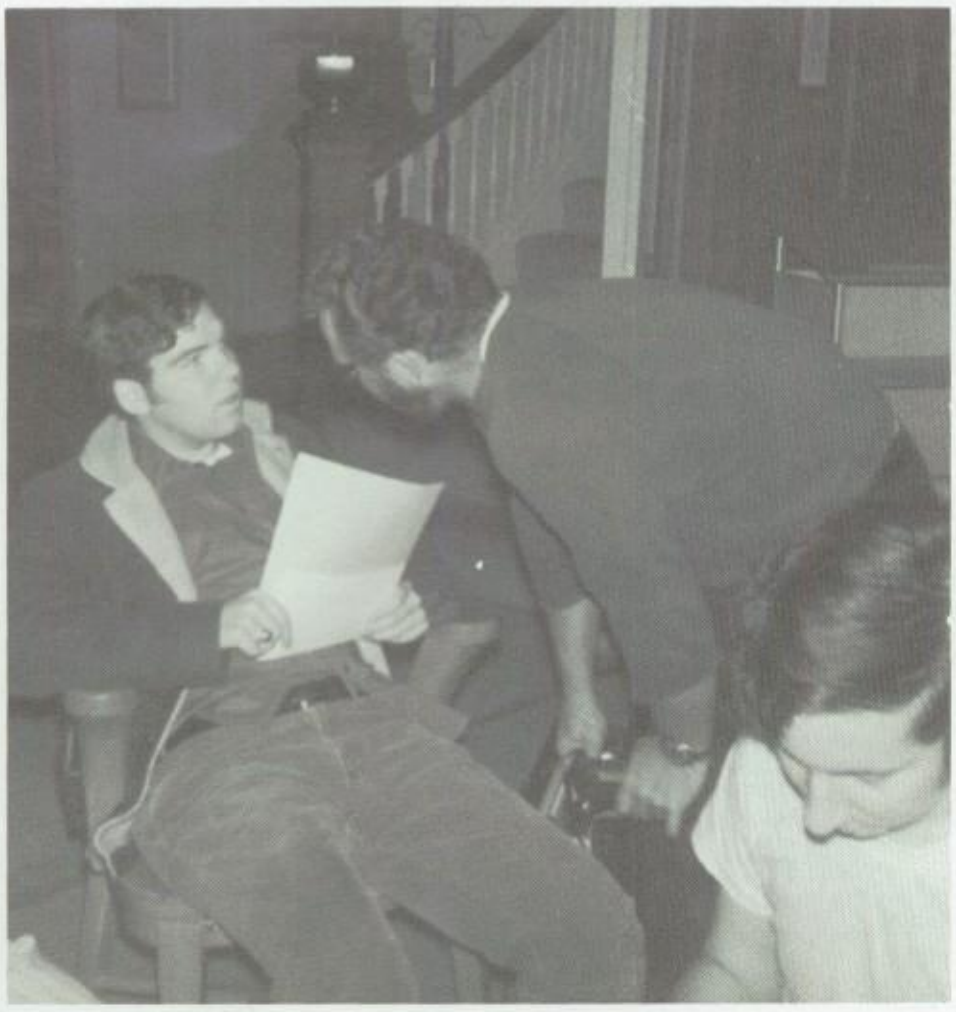


Dennis Cerletti has a word with Father Albert outside chapel entrance.

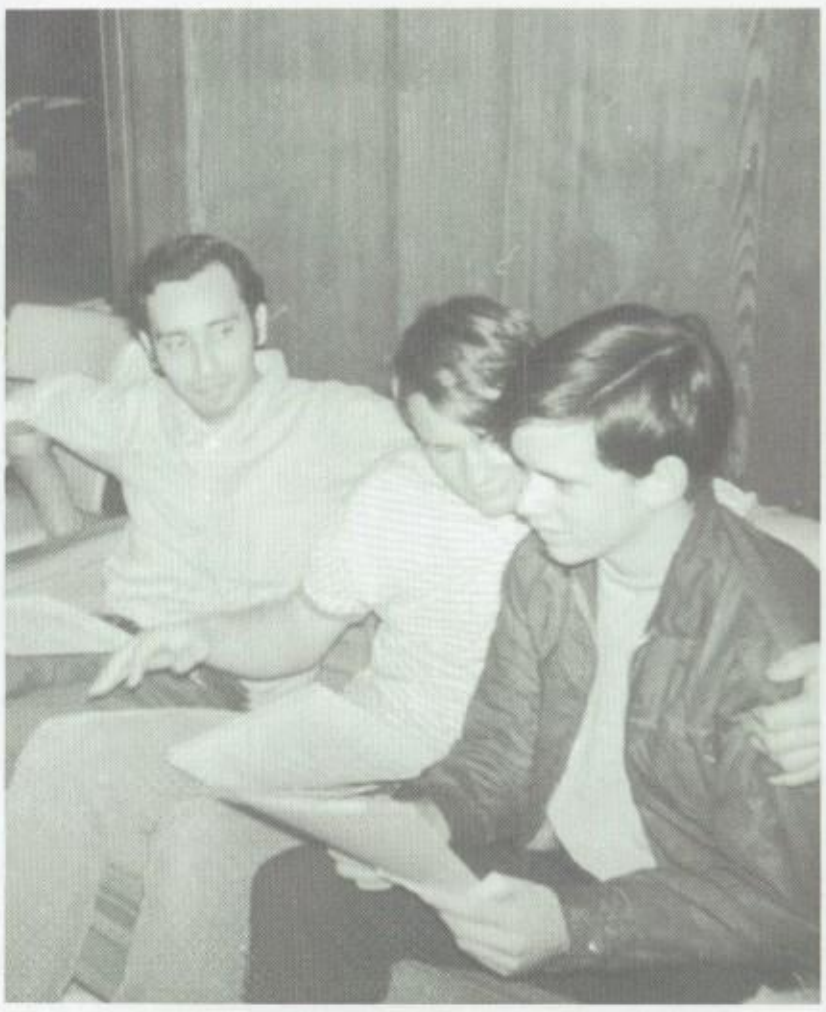
Don De Young wonders if anyone is ever going to pass him the bacon during breakfast in the main dining room.

The only KP on retreat was the stacking of dishes, organized here by Mike Peissner and Gary McKenzie.

"Every soul is like a tiny drop without which the whole world would thirst." -- Ugo Betti



Father Albert answers Bob Milliff's question on a point in the day's schedule.



Brother Jerome looks on as John Dalisky and Matt Haley get together on what it says.

Tom McGoldrick sets up the altar table for evening Mass.

The abstract is translated into the visible during an afternoon art session in the "Barn."

Doug Magnoli adjusts his date's corsage.

Senior Ball

The Class of 1971 of De La Salle and Carondelet High Schools presented their Senior Ball on May 21 at HS Lordships in Berkeley under class moderators Brother Joseph and Sister Adrienne Clare. Theme for the evening was "Here Comes the Sun," with music by Electric Church.

Carondelet's Colleen Sapper and escort linger after dinner, while Pat McGovern chats with date in background.

Camera records trio of happy couples at Ball: Dick Rodgers, Chris Dodge and Gerald Serventi with their partners.

"They danced until the golden sun arose,
They danced all night, these lovely belles and beaux!"

Baccalaureate Mass

The Baccalaureate Mass for the Senior Class of 1971 took place in the DLS Speech Arts auditorium on the morning of June 5. Dedicated "to the child in all of us," it was attended by the faculty and by the parents and friends of the graduates.

Celebrant for the occasion was the Rev. Richard Keolker of the Berkeley Graduate Theological Union. The homily was delivered by Brother Jerome Gallegos, Director of the Christian Brothers' Retreat House in St. Helena.

Senior Breakfast

The Boundary Oaks Restaurant was again the setting of the Senior Breakfast following the Baccalaureate Mass. At the end of the meal, both student and faculty speakers recalled many warm moments of thanks for remembered benefits. John Dalisky, Senior Class president, acted as Master of Ceremonies.

Graduation 1971

"It costs so much
to be a full human being
that there are very few who have the enlightenment
or the courage, to pay the price . . .
One has to abandon altogether
the search for security,
and reach out to the risk of living with both arms.
One has to embrace the world like a lover."

In a solemn yet contemporary program of procession, speakers, choral and diplomas, the 107 Seniors of the Class of 1971 became the third group to be graduated in the history of De La Salle High School.

Guest speaker for the occasion was Dr. Douglas Land of the Center for Studies of the Person in La Jolla, California. Salutation was given by Class President John Dalisky, Valedictory by Doug Magnoli. A highlight of the ceremonies was the light projection by Albatross.

All-Nighter

The final event of the Senior year was the All-Nighter sponsored by the parents and held at Clayton Bowl on Sunday, June 6, from 10:00 p.m. to 6:00 a.m.

The party was a joint activity for the graduates of both De La Salle and Carondelet high schools. Entertainment consisted of bowling, pool and other games, with food and beverage provided throughout the night. Many faculty members also joined in the festivities as invited guests.

Student Council

The Student Council assumed a larger share of authority in school life this year, taking new directions in activities and organizations, both on and off the campus.

For the first time, the Council started to work more closely with the clubs and classes. Among its more noted accomplishments were the Welcome Dance at the beginning of the year, the distribution of candy to the children at Seal Bluff Development Center, and the very successful Exchange Day between DLS and other schools.

The year ended with the election of officers for '71-72: Jim Doordan, Pres.; Bill Cumbelich, VP; Mike Dini, Sec.; Mike Roullier, Treas.; Bob Luhn, Social Chairman; and Mike Rager, Paul Read, Mike Howard and Kevin Elders, Reps-at-Large.

An honest evaluation of the Council's role in the shaping of student affairs this past year rates a solid vote for unity and progress, and augers well for the newly elected officers who have already begun to assume the reins of government.

Science Club

Under the direction of Moderator Lucido, the Science Club presented the best of their experiments to the DLS students in a display held in the gym in late April.

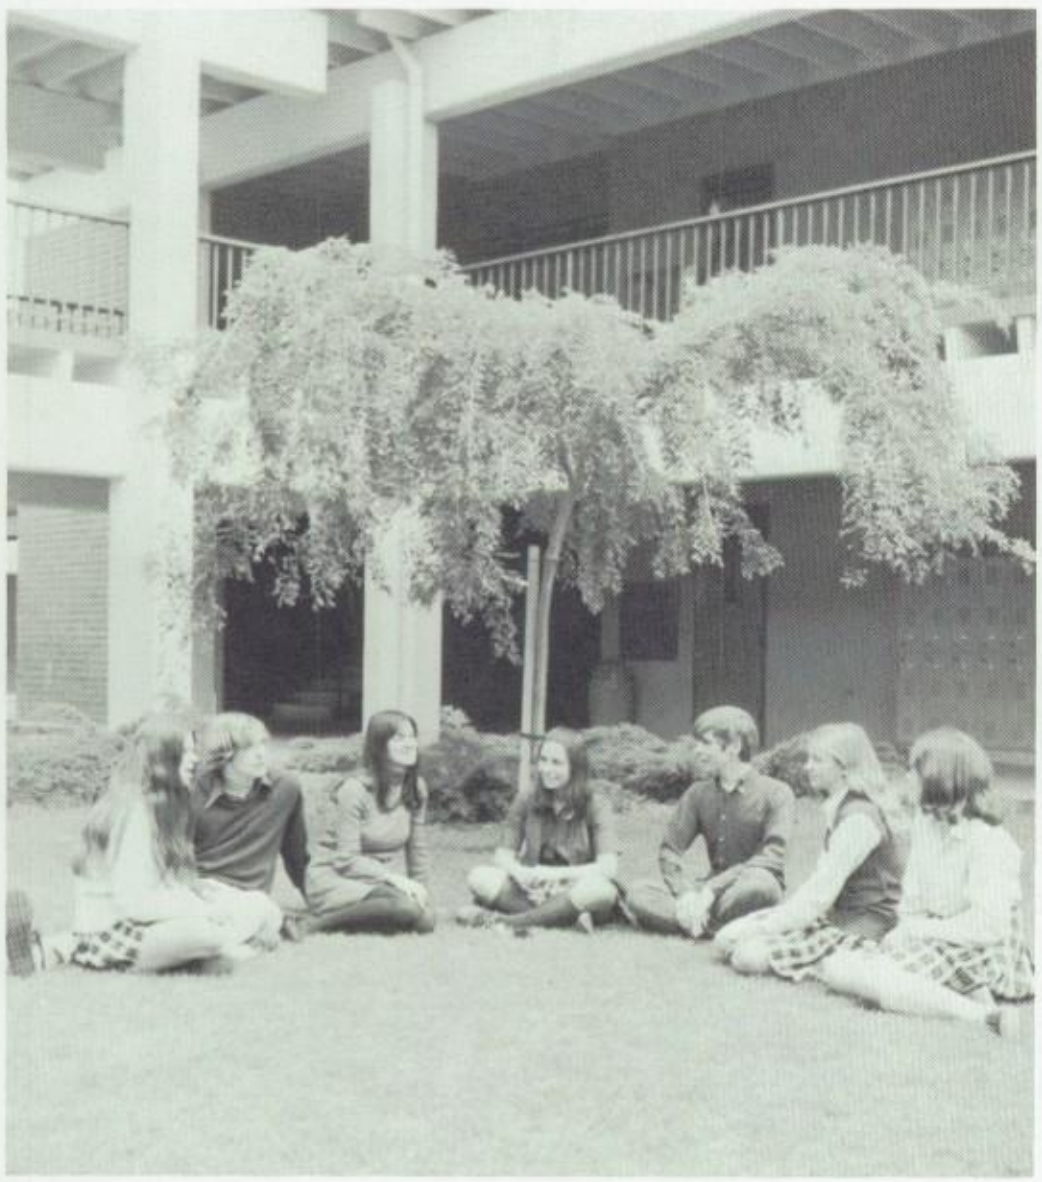
Members, left to right: Kurt Streichen, Steve Perry, Rolf Stulz, Rudy Holthius, Ron Polena, Bruce Fernandez, Harlan Kenyon, Steve McGrath, Pete Kelley, Mr. Lucido, Moderator.

Block Society

Members of the Rally Club were active throughout the year--serving the Fall Festival dinner, selling Spartan pillows, making games signs, prefecting rallies. Members include, FRONT ROW: Mike Hammer, Pres., Jim Henderson, Sec., Mark Van Cleve, VP, Mike Ghiorso, Treas., Bruce Fernandez; TOP ROW: Mike Dini, Steve Torres, Tim Freeman, Tim Byrne, Pat Williams, Rick Shoemaker. Active members not pictured: Ken Schuler, Bob Luhn, Manuel Ferrer, Bob Beren, Tim Olson, Tab Brown. Front: Moderator Steve Quirico.

National Honor Society

Students who maintain a 3.0 grade point average or above, and are approved by the faculty, enjoy membership in the official academic group on campus, the National Honor Society. Members pictured, FIRST ROW: Greg Gagnon, Toby Anderson, Jim Doordan, Ken Monnens, Jim Keep, Bill Cumbelich, Bruce Fernandez, Mike Heim, Pat Traverso, Mark Van Cleve, Tom Klenow, Bob Aitchison, Gerry Serventi; SECOND ROW: Mr. Grant, moderator, Peter Kelley, Pres., Dick Rogers, Ken Oster, Steve Spiller, Mike Roullier, Rocco Colicchia, Chris Dodge, Mike O'Connell, Art Sprecher, Bob Lunh.



Art Club

This year the Art Club continued its active program under the guidance of Miss Bonnie Finn. Most rewarding event was the group's visit to the spectacular Van Gogh art exhibit in San Francisco. The "first" Annual Spring Art Show was planned for mid-May--a noon period display of art works of students from both DLS and Carondelet.

Members of Club, left to right: Anne Deems, Brian Moran, Miss Finn, Barb Van Ness, Dan Vagenas, Linda Menges, Betsy Bowman.

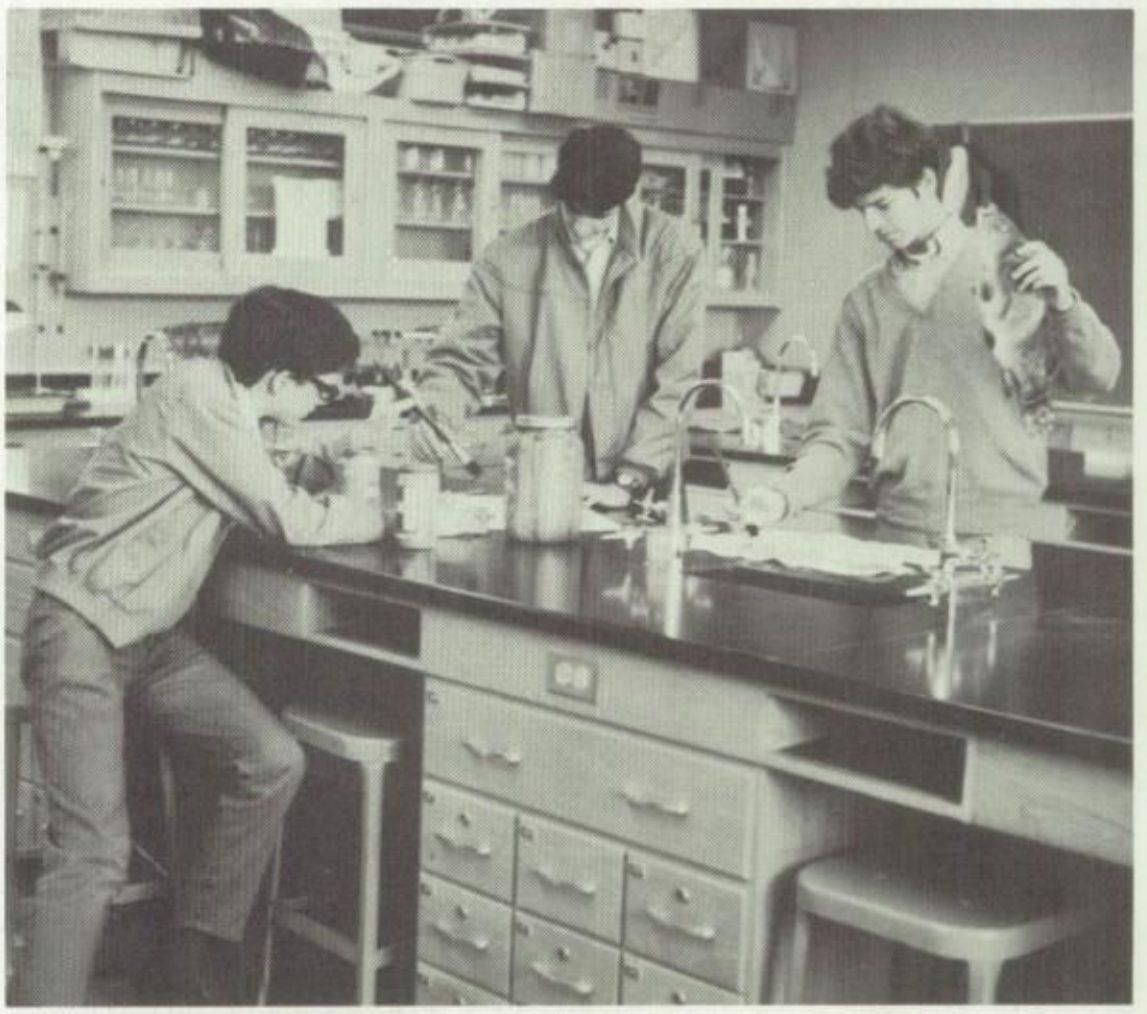
Members of the Rally Club include, SEATED, L-R: Lou Coppola, Bob Aitchison, Ken Monnens, Greg Ziertan; STANDING: Brother Nicholas, moderator, Marc Mulcahy, Pat McGovern, Bob Russell, Bob Luhn, Mike Roullier, Mike Howard, Pete Dailey, Pat Gannon, Jim Russell, Kevin Lough.

Rally Club

Outside of the Student Council itself, the campus group that tried hardest to foster school spirit this year was the Rally Club. And what's more, they succeeded.

Under the experienced guidance of Moderator Brother Nicholas, the members met frequently to formulate plans for rallies and other activities. A poster painting crew kept the students' eyes and minds aware of the upcoming games both on campus and away. The choosing and direction of cheerleaders and Carondelet song girls was also a responsibility of this club.

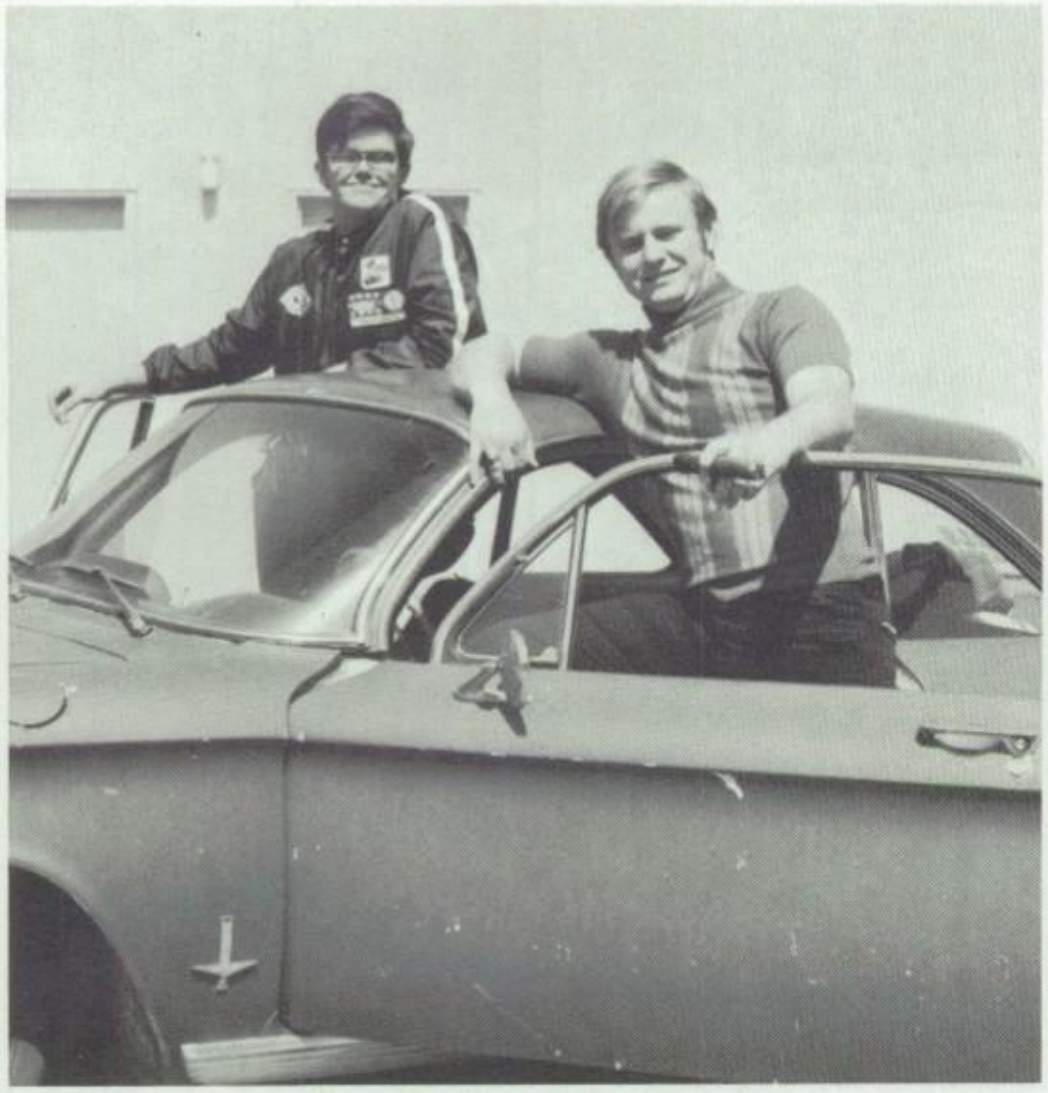


A trio of sign painters--Larry Haley, Mike Dini and Bob Luhn--work up some striking posters prior to game with Mariners.

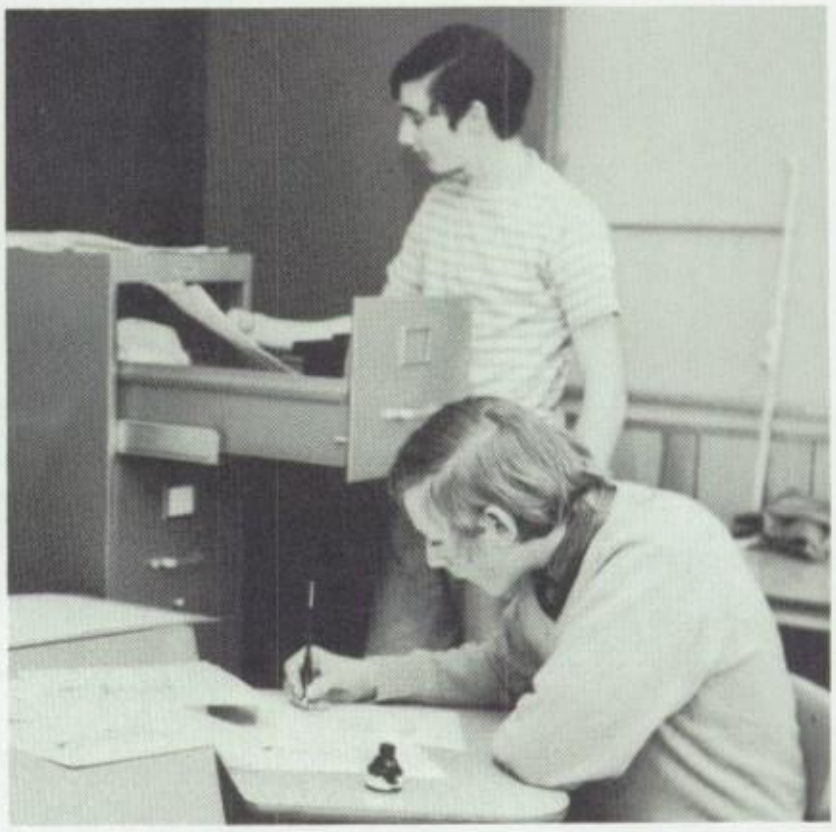
Spartan Yearbook

Pictured on this page are the dedicated few without whose constant effort and concern the 1971 SPARTAN would never have gone to press.

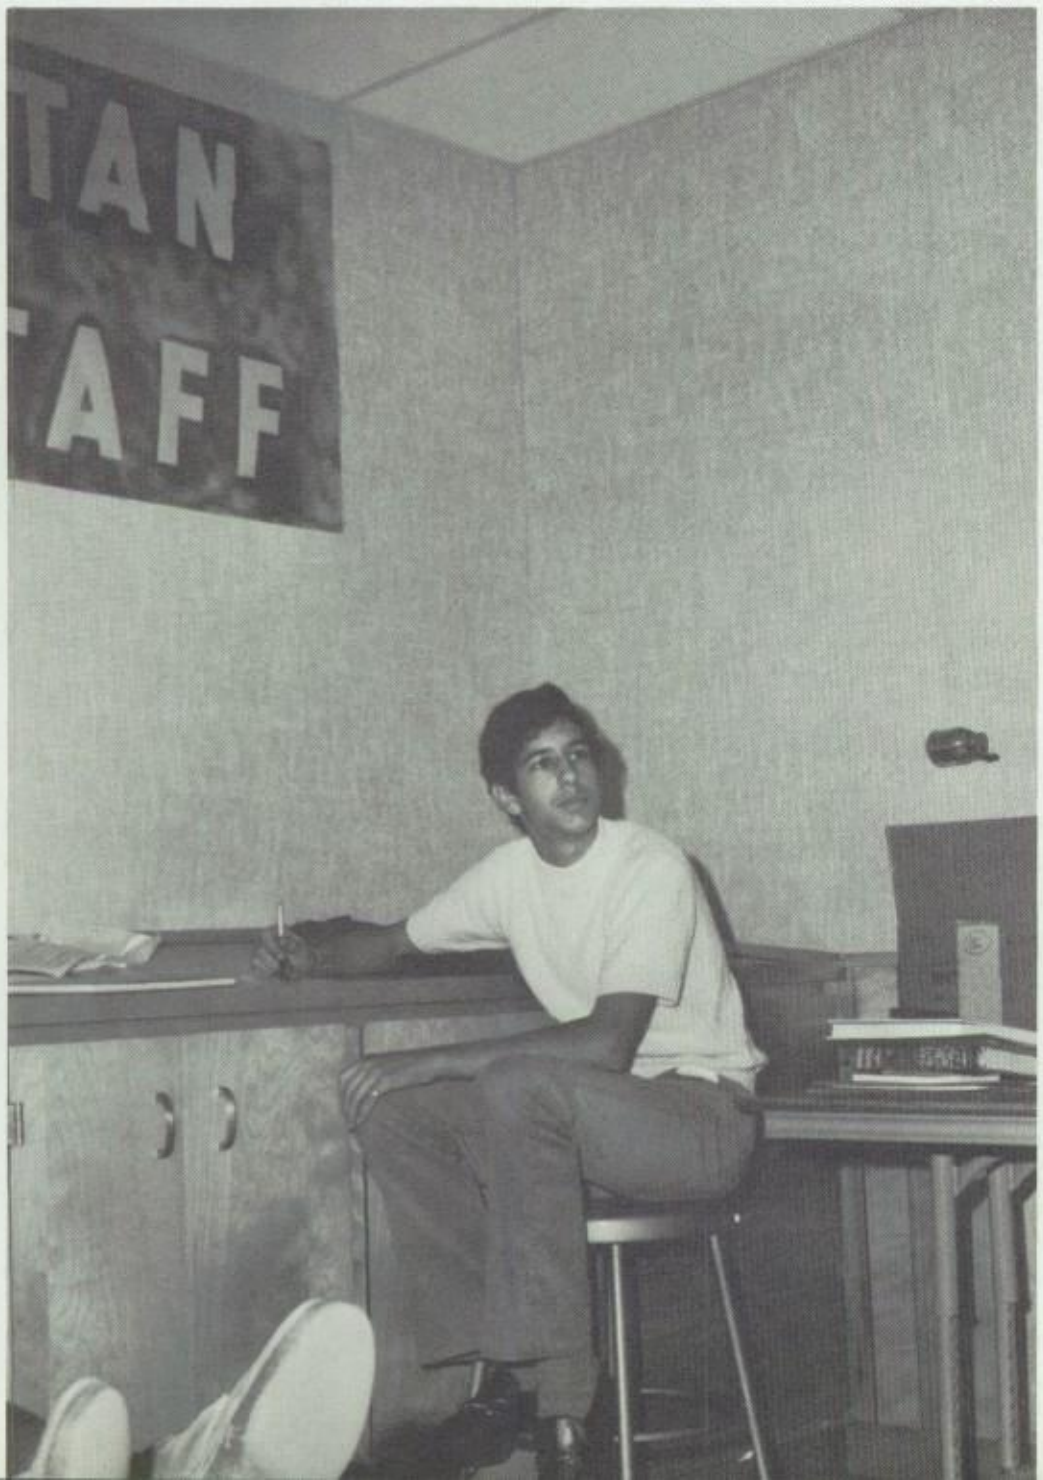
Thanks go to these yearbookers as well as to the now-and-againers who contributed their talent as time permitted. A special thanks goes to staff artist Bob Diefenbach, whose original sketches of the school appear on the division pages.



The admen and their machine--stogie totin' Mike Rager, his Blue Bomb and Tom Stice--took care of sales and advertising.



Greg Ziertan checks the sports file while John Erickson inks out one of his Spartan cartoons.



Moderator Brother Edward: "I know, Ken, but think of the glory of it all."

Editor Ken Monnens: "It sure takes a lot of wall-watching to get a yearbook out, Brother."

"You do not lead by hitting people over the head—that's assault, not leadership." -- D. D. Eisenhower

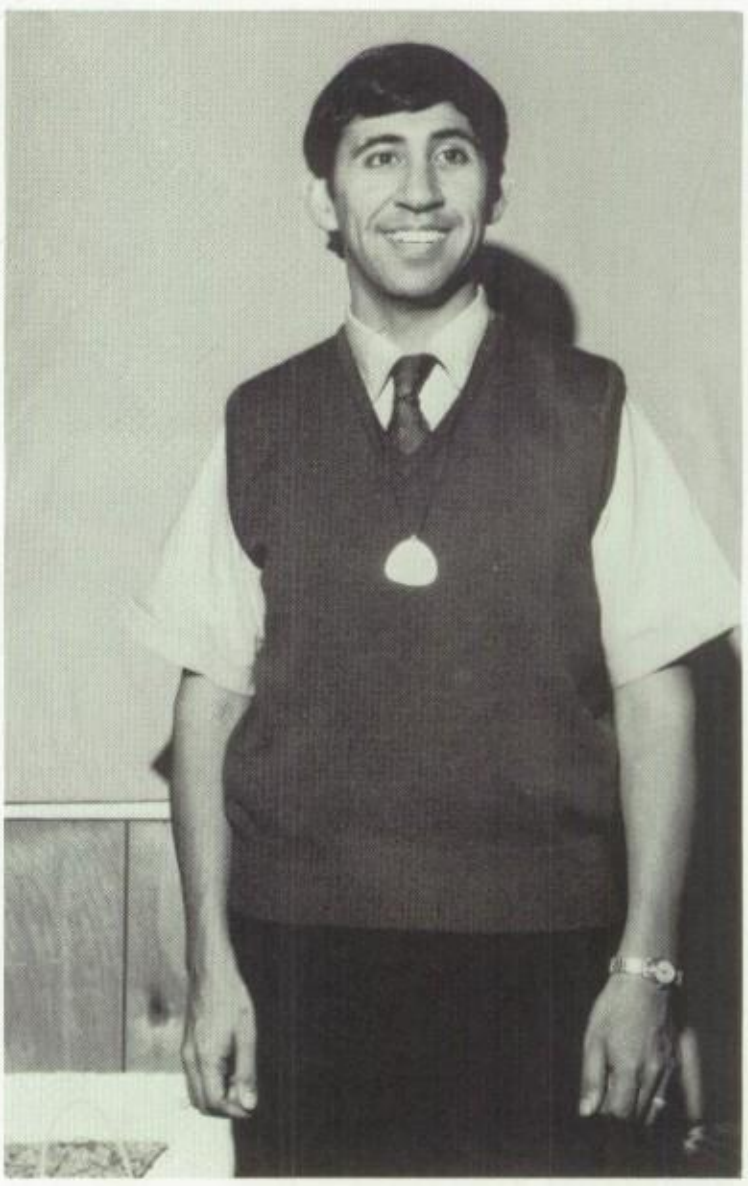
Members of the Student-Faculty Board who met to discuss Volunteer Day are, L-R; Phil Daly, Miss Finn, Mr. Emeldi, Jim Doordan, Brother Joseph (chairman), Mr. Still, Bob Luhn, Mr. Huitric.

Other active members of the Board are, L-R: Dennis Cerletti, Mr. Mike Still, Ken Oster.

Student-Faculty Board

Under the direction of Brother Joseph, the Student-Faculty Board met at intervals during the year to discuss issues and make recommendations to the Administration in certain areas concerning student life.

Such open discussion enabled the students and faculty members involved to become more aware of each other's needs and interests. Two of the areas treated this year dealt with a modification of the dress code and a proposed Volunteer Day.



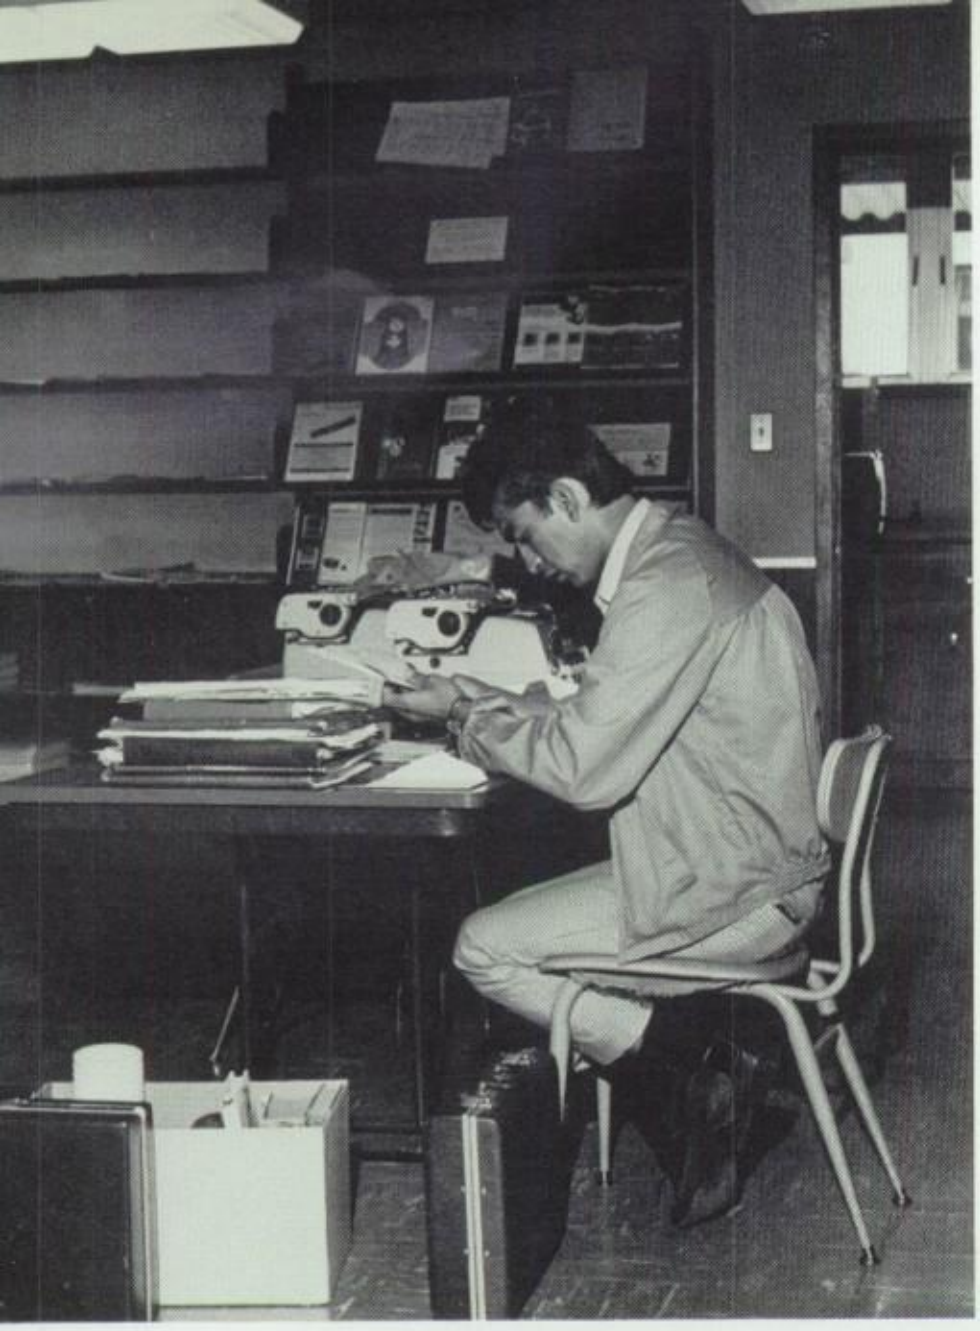
Brother Joseph, Chairman of the S-F Board.

Academics

Pictures can record only the material side of a school's academic achievement. That is why the scenes on this and the next two pages give only a partial glimpse into the world of learning at DLS during the past year.

A more accurate account of the year's accomplishment will be found in facts, not scenes--facts, such as the following: a four-year commendation as a superior school, the result of its 1971 accreditation; a unified and dedicated faculty, both lay and religious; a roster of superior students as reflected in the honors merited by so many; a good third of the Senior Class reaching the State semi-finals.

The accompanying pictures will, nevertheless, hint at the total academic atmosphere in which the learning process has flourished.



Mr. Staszkow is a reminder that even faculty members must study to maintain academic competency as teachers.

n Spanish II, Mike Taft will have nothing to do with the frivolous roup next to him: Mike Jensen, Terry Flannery, Jim Russell, rother Loren, Steve Fraga.

Believe it or not, Sr. Mary Jean's journalism class is doing "research" on newspaper articles!

Greg Higgins, Chris Berndt and Mark Stephens display their Cinquain poetry scrolls in Brother Edward's English I class.

Rocketman Paul Osterman gets set for countdown as his "happening" in Brother Joseph's English class.

Sam Mendes hoists flag on his sugar-cube-and-paint version of Globe Theatre for Brother Edward's MACBETH assignment.

Members of the Accreditation Committee lunch with students in cafeteria during school evaluation.

Cross Country

The 1971 Spartan Cross Country Team raced to a second-place finish with a 6-1 Varsity league record, and a first-place finish in the small school division of the Mt. Diablo Running Carnival. This team can look forward to excellent years to come, since five of the eight Varsity men are juniors and sophomores.

The Junior Varsity squad ran to a first-place finish in the C.A.L. League Meet, while the Frosh Team gained tremendous experience in finishing fourth in the league. Special recognition goes to Soph George Pino, who led the Varsity throughout the season. Thanks also to those who watched the teams run.

Varsity Soccer

This year's soccer season can be summed up in one phrase: De La Salle, Catholic Athletic League Champions. After a rough pre-season against University of California Freshmen, Mission High, Balboa and Lincoln, the team learned soccer from the ground up, and the experience paid off. Speed and strong reserve players were the club's greatest strength. Seniors Tim Kruse and Marty Olavarri (co-captains), Al Fraschieri, Tim Garbarino, Ed Valdivia, Vince Larsen and Bob Russell will be hard to replace.

The mid-field players provided field position and coordination between defense and offense. Without the outstanding play of Marty Olavarri, Rick Peters and Rich Schuetz, the season could not have been the total success it was. Team coordination, hustle and a devastating front line composed of all-league players Bob Beren, Tim Kruse and Al Fraschieri, with help from Tim Garbarino and John Blasquez, made the Spartans the highest scoring team in the CAL.

Looking ahead to next year is a pleasant experience. The same Spartan defense that recorded 5 shutouts, 3 against the league powerhouses, will return in tact, and will be led by all-league goalie Jim Herrin and all-leaguer Pat Traverso, accompanied by all-league honorable mention Kevin Elders and a determined George Perez.

JV Soccer

The JV Soccer team ended a tough season this year with a 4-6-1 record, playing most of their games against varsity competition. Such stars as John Heim, Roger McDonald, Tab Brown and Steve Torres as the up-and-coming goal tender contributed greatly to this season's success. These men, along with Jim Freese, Brian Moss and Dick Schratz, should be able to help next year's varsity to repeat as CAL champs.

Varsity Basketball

The De La Salle Spartans turned in a number of bests for the 1970-71 basketball season.

Under new Head Coach Gene Albaugh, the exciting Spartans surprised prep basketball circles in the East Bay by running up a pre-season record of 12-2 and a first-place rating in the East Bay Prep Writers' Poll. The Spartans remained in or near ranking throughout the season, finishing with a League Honorable Mention and a 21-10 overall record.

The Spartans continued to play exciting basketball during League play, barely missing a play-off spot with a 6-8 record. Invited to the Lassen Invitational, they stunned the town of Susanville by taking both Varsity and JV crowns.

"Marvelous" Mark Viera was a magician on the court and now holds every season and career record in DLS's history. Mark was selected unanimously to the All-CAL team, as well as chosen a member of the All-North State team. Mark's teammates, Dennis Cerletti and Mike Heim, were cited for All-CAL Honorable Mention.

JV Basketball

Exciting games in the pre-season enabled the JV's to show both confidence and poise in the latter part of their league schedule, which ended in the winning of the Lassen Tournament. Giving promise of outstanding varsity futures were Bernie Kelley, Roger Stanfill, Tim O'Hara and Chuck Richardson.

Coach Bob Preston praised the team for its spirit of cooperation that made for a satisfying coaching experience, and further stated: "I would like to thank Brother Norman, Coach Albaugh and Mr. Claiborne for giving me the opportunity to coach, and I would also like to thank the student body for its support of the team."

Frosh Basketball

Dennis Day came as a first-year coach and started working the Frosh through the fundamentals. He taught the club how to attack a game and stuck with the team throughout its spunky but losing 0-21 season. Although the squad usually had a strong first half or a great 3rd quarter, the team was unable to put it all together before the final buzzer.

All-league Honorable Mentions Dave Gerard and Jim Howard were lost to the team halfway through the season when they moved up to the JV's. Paul Smith and Don Swain, a 6'3" center with potential, filled in the vacancies, joining the team regulars Dan O'Malley, Ed Geulld and Graylin Bartley.

Despite the team's jinxed season, Coach Day fielded a loyal club that, amid cause for discouragement, proved to everyone that, while winning was important, it was not the only purpose of the game.

Track '71

With only six seniors on this year's varsity track squad, the team posted a 2-3 league record and a 3-5-1 season record. Although the record fails to indicate the fact, the losses were suffered only in the final events of the meets. The team was able to break more school records than any in the past school's history. Out of the entire CAL, the Spartans had the two highest finishers in the Division I Meet, with Mark Viera and Tim Garbarino scoring high in their respective events, the high jump and pole vault.

Congratulations to this year's track team for their dedication in striving for their personal and team goals.

Varsity Baseball

The 1971 season could be summed up as the year the Spartans decided to change their image as a baseball club. While that was the avowed end of their decision, the means to achieve it spelled out a major challenge--to follow in the footsteps of two proven clubs, the CAL Soccer Champions and the victors in the Mt. Lassen Basketball Tournament in Susanville.

The Varsity took on the challenge, however, and found the road exciting, especially when they toppled O'Dowd, the prime league contenders. This added up to the key win that sent the Spartans into the CAL playoffs for the first time in DLS baseball history.

In the total team effort every man was vital. But if any players are to be cited for outstanding contribution to a great season, the honors go to Jim Herrin, Most Valuable Player, and to John Muegel, both of whom batted over .400 on a team that averaged a .302 hitting record.

JV Club

The JV's played good ball all season long to place 3rd in the CAL this year, turning in an 8-6 league record, with a 12-8 overall. Brightest event of the season was the team's first win over St. Mary's of Berkeley.

Among the outstanding players were Mark Toole, voted Most Valuable; fielder Roger Stanfill; and John O'Hara and Sal Aiello, both of whom were pushed upstairs to the varsity during the season.

Frosh

Though not outstanding according to the record, the Frosh season did turn out some exceptional ball players. The team defeated West Campus, Berkeley, the highly regarded team in the area and the league. Five games were lost by only one run. Pat Mullen, Graylin Bartley, Chris Owens and Dave Gerard went on to the JV team at the end of the season to provide more speed and punch at the plate and on the mound.

Swimming

The Swimming Team ended its season with a 5-3 record. Two members of the team, Sean Kennedy and Chuck Enea, surpassed stiff competition to qualify for the North Coast Regional Meet held in Santa Rosa among the top 18 swimmers in their event in an area from San Jose to Eureka.

Team co-captains Jim Hammer and Mike Heim worked hard to ensure a successful season. Although five seniors will not be returning, the presence of Mike Welch, Mike Heim, Chuck Enea, Scott Tagg and Dan Sousa makes next year's prospects look good.

On the managerial side, special thanks go to Frosh Sam Mendes for the long hours of devoted service put in toward the team throughout the season.

Golf Team

This year the Spartans fielded the youngest team in CAL varsity competition. One senior, 1 junior, 4 sophs and 3 frosh made up the team, which finished 4th in the League.

The most significant match in the season was the team's victory over St. Joseph's, a team composed entirely of seniors and the eventual winner of the League.

Tom Clendening, the brilliant sophomore prospect, placed 2nd in the entire League, only losing the match on the final hole of play.

Tennis Team

De La Salle's Tennis Team swept the League round robin, 8-0, with four of the top players only sophomores and juniors. Pat Tool, Ken Schuler and John Kelly, the 1-2-3 punch of the team, won all but one set out of the 24 played in League competition. Two seniors, Mark Van Cleve and Jim Henderson, finished the League undefeated, a strong reason why the team took the CAL championship this year.

KYA Kontest

The men from San Francisco's KYA Radio Station made a guest appearance in the DLS gym in April to take on the faculty in a post-season basketball game. Although the well-honed KYA'ers led throughout most of the game, the faculty managed to creep up to tie the score by the end of the 3rd quarter, only to go down in honorable defeat at the final buzzer, 78-83. The Frosh Class sponsored the action-packed contest.

Mr. Jim Neylan bussed his Ski Club members to Squaw Valley in February amid near-blizzard conditions, a circumstance which dampened but did not totally cool the spirits of the 140 DLS-Carondelet students who signed up for the outing. Parents and faculty members chaperoned the group during the three-day period and reported fine cooperation by all who went. Ski members returned hale and happy, with no accidents on or off the slopes.

Intramurals

The second year of DLS's Intramural program got off to a well organized start this year as students in all four classes chose up teams to begin their football schedules. As before, some oldies suited up--Bonnie's Boozers, Grant's Gorillas and Nick's Newts--but so did some clubs with new but equally memorable names, such as John's Generals and Edward's Studs.

But old or new, the season turned out to be a great one, as it ran its course from football to basketball, and from volleyball to softball. Credit for the program's smooth operation must be given to Coach Steve Quirico and to Jim Hammer, president of the Block Society.

Sports Banquet

The second annual All-Sports Banquet was held in the gym on May 22. Present were students, parents and prominent figures of the sports world to honor the top DLS athletes of the 1970-71 season.

Awards were given to the outstanding performers in every sport on three levels--varsity, JV and frosh. Mark Viera was accorded recognition as "Athlete of the Year" in basketball and track. Other Most Valuable Player awards went to varsity athletes George Pino, cross-country; Tim Kruse, soccer; Pat Tool, tennis; Mark Majesky, golf; Jim Herrin, baseball; Mike Welch, swimming.

Soph Hop

Several months of joint meetings between the Sophomores of DLS and Carondelet finally produced "Indian Summer," the theme chosen for the Soph Hop held in the DLS cafeteria on April 30.

The dance was organized so that a maximum number of all Sophomores would be involved in some phase of the event. Those who attended were appreciative of the work done by the various committees, especially by the groups in charge of decorations, refreshments, bids and final cleanup.

The Hop was semi-dressy, though many couples came in their best suits and dresses to enjoy the music of Indian Maiden, distinctive for its fine brass section. The evening was counted a social, if not a financial, success by Moderator Brother Loren.

DLS Rallies

Student spirit was the vital energy that made the wheels of the school year whir with excitement and show of DLS power. At key rallies centered around the Fall Festival and the start of the major sport seasons, spirit erupted into spontaneous student participation at athletic events. Such support sparked the Soccer Team to capture the CAL Championship and led both JV and Varsity Basketball Teams to take top honors in the Lassen Invitational tournament held at Susanville.

Spirit Week

The second annual Spirit Week turned into a great success, as each class readily joined in to demonstrate its enthusiasm. Hard working committees planned the week's schedule with activities for all to participate in or attend.

Led by the seniors who sponsored a Mr. Ideal Spartan contest, the juniors staged a Hairy Legs contest, the sophomores a tug-o'-war, and the freshmen a beauty contest.

All in all, the various events did much to enliven the routine lunch periods throughout the week, as well as contribute appreciably to student unity on the De La Salle campus.

Missing: Mr. Joe O'Leary, vice president; Mr. Joe De Young, men's activities.

DLS Parents Association

What can truly be called "the best year of DLS's life" got off to a great start with the Association's sponsorship of the Fall Festival in October. With the generous backing of Mr. & Mrs. Lucia, Festival chairmen at Moreau High, the undertaking rallied in a common cause, the parents, faculty and students to achieve a tremendous social and financial success. The immediate goal of the event was the fielding of DLS's first JV football team next fall. Other accomplishments of the Association this year were the forming of a Boosters Club for athletic events and the purchasing of six loudspeakers in the gym, installed by Brother Celestine.

Come to the Fair!

A beautiful human happening to match the beauty of October took place on the DLS campus when parents, faculty and entire student body pooled their common resources of time, effort and purpose to bring off the first Fall Festival in school history.

In every way, the enterprise--car raffle, game and sales booths, carnival and Sunday dinner--turned into a most rewarding experience as youth and adults worked shoulder to shoulder to achieve an outstanding financial success. Although the most tangible result was the money gained for next year's first JV football team, the more satisfying outcome was the spirit of cooperation generated among all those who labored for a common goal.

Drama

Though attendance was small during its three-day run, the play was termed a success by its director, Mr. Barriero, art and drama instructor at Carondelet, as an initial offering of the 1970-71 drama season on the DLS-Carondelet campus.

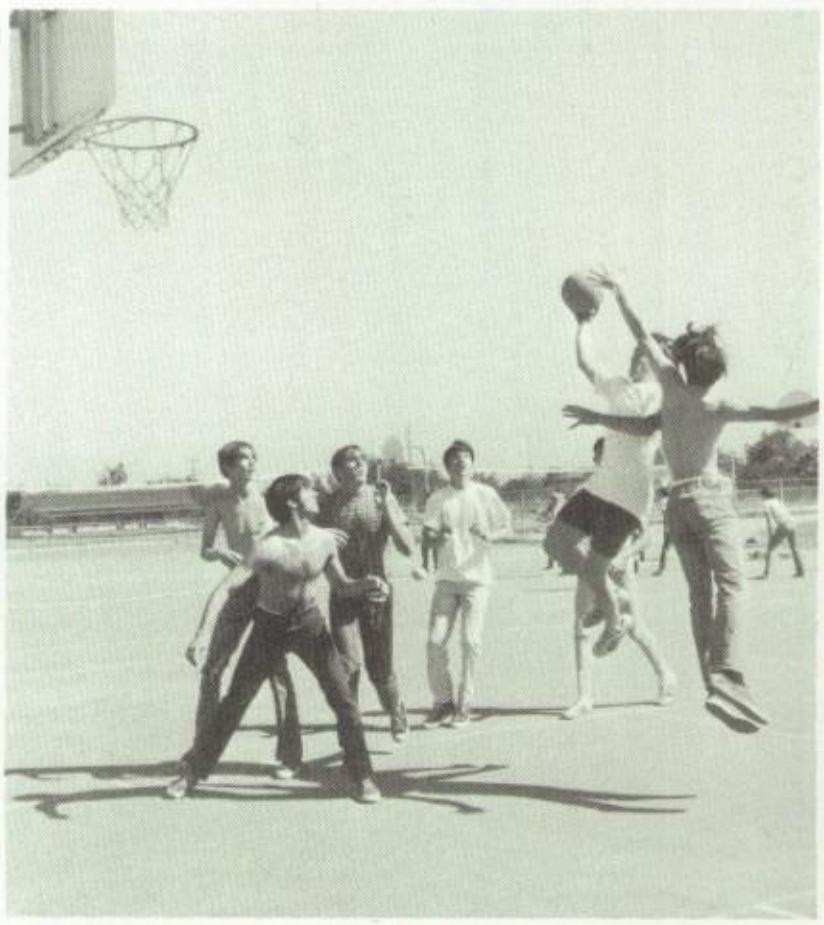
Founder's Day

"Something for Everyone" might well have been the theme for Founder's Day 1971, observed on the DLS campus on Friday, May 14, by faculty and students together.

The day began with Mass in the Mall to honor the saintly founder of the Christian Brothers, John Baptist de La Salle, moved on to the Claiborne-Sabbagha fiasco of Bug vs. Bomb, and then through a roster of pre-chosen athletic games, with a light show by Albabross and a folk-song interlude offered throughout the morning. A concert by the DVC Jazz Band put an exciting cap on the day's successful program.



Awards Day

For the first time in the history of De La Salle, formal recognition was accorded those students who achieved academic excellence in each area of endeavor as Juniors, as Sophomores and as Freshmen. Selection of candidates was made from a field of nominees submitted and voted on by the faculty members of each department.

Formal presentation was made in the Speech Arts Auditorium before the assembled faculty and student body. Because Senior honors are reserved as a part of their graduation ceremonies, the Senior class did not attend the presentation.

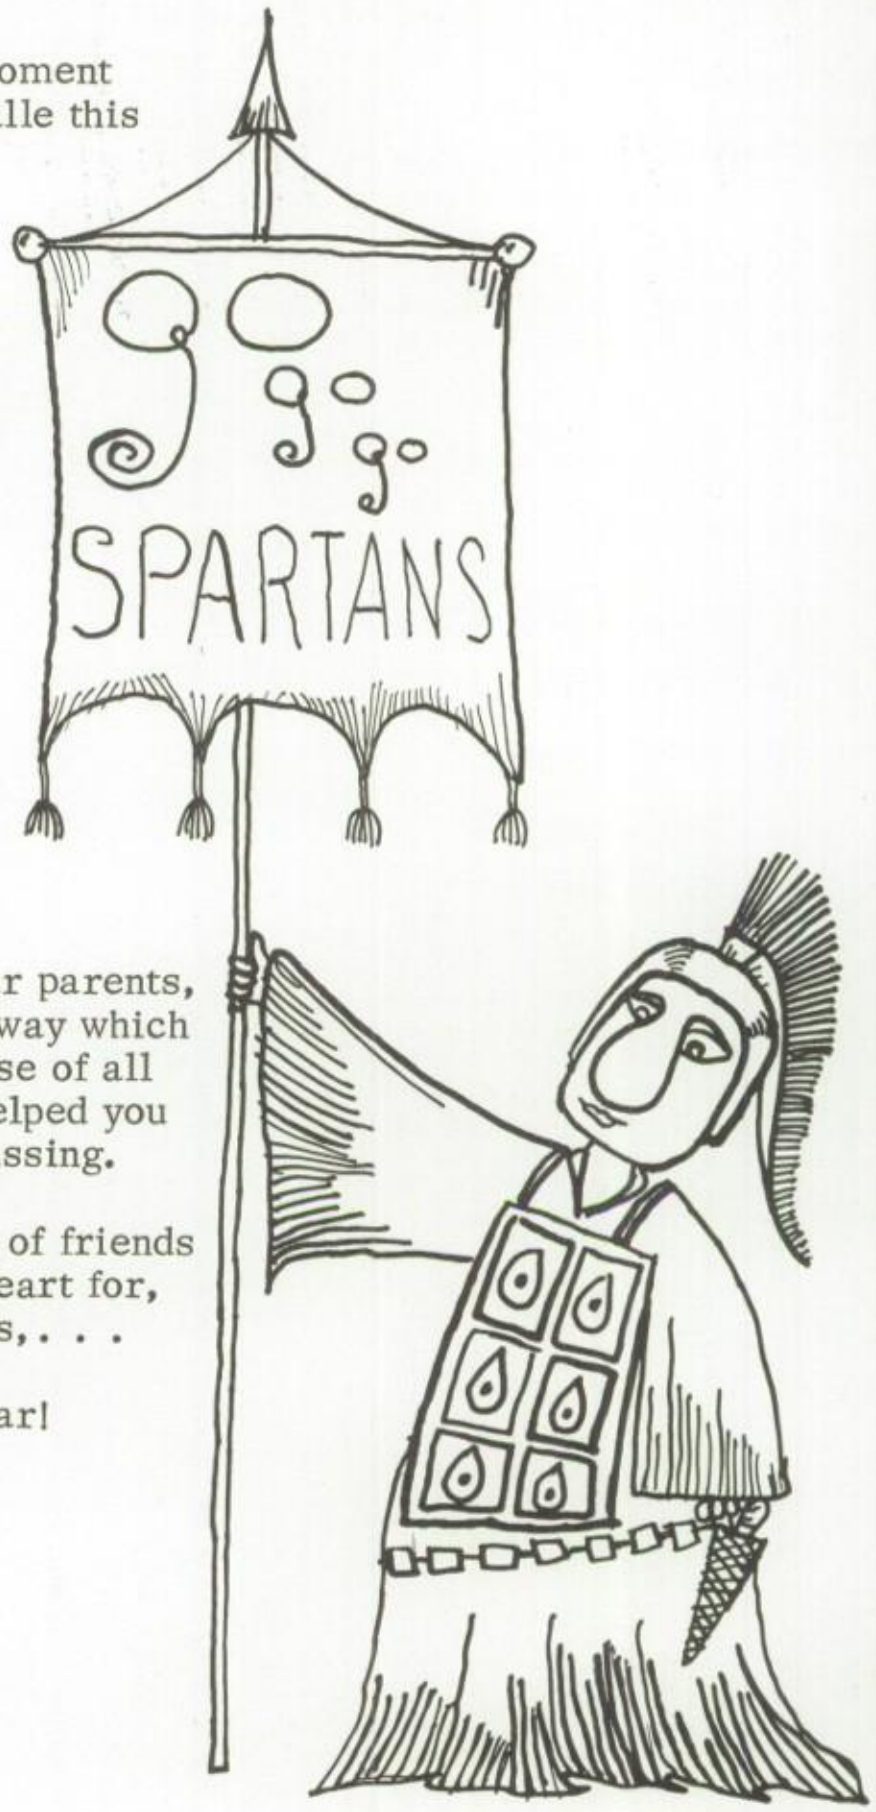
It was a very good year!

What do you recall as the single, most memorable moment among the countless many that took place at De La Salle this past year?

Perhaps only a few of you will be able to say outright that such and such a happening was the essence of the year and worth all the rest. It might have been a deep friendship formed, an important academic achievement, a new insight about yourself, about others, about life in general. Any one of these moments would, indeed, be worth all the rest.

More than likely, however, most of you will be able to assess the year only in some more general way, such as grouping your remembrances into collections of good and bad days, into short or long stretches of joys and sorrows, into scatterings of successes and failures. This, too, is a worthwhile recollection to have.



But in either case, you have had experiences with your parents, classmates, teachers and friends in a unique way, a way which will never be yours again. And you have grown because of all these experiences with people, many of whom have helped you to become the better for just having known them in passing.

The best response you can make to such a year's gift of friends and happenings is a prayer of thanks to God in your heart for, even with its moments of disappointments and failures, . . .

It WAS a very good year!

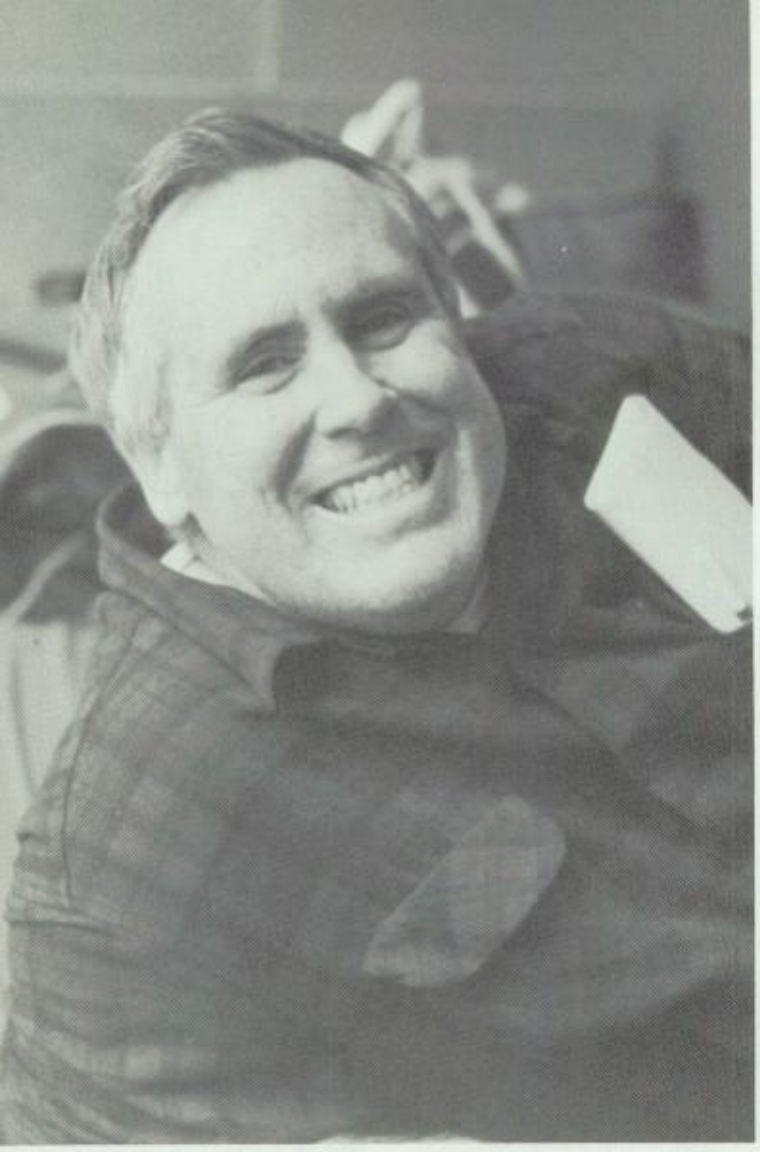
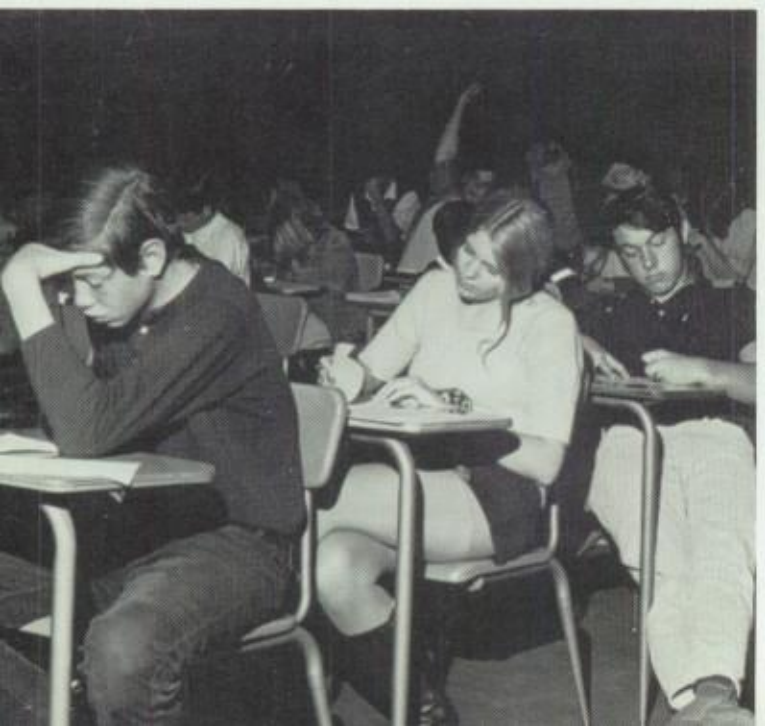
Last Licks



You all come back and see us, heah!

This MACBETH stuff is a lot of fun!



What 'cha doin', Brother?

We thought it a little strange, too--at first!

Exams take a lot of concentration!

Where have all the students gone?

So-o big!
